

CUWBC

SPONSORS

The Henley Boat Races are a showcase for women's rowing and each year attract up to 10,000 supporters at the venue in Henley-on-Thames. This year's event takes place on Sunday 1st April 2007.

Each year, Cambridge University Women's Boat Club enters three crews containing the University's 27 most talented oarswomen to compete against their Oxford University counterparts on the Henley Reach. To date, CUWBC has a win rate of 74 to Oxford's 44.

How can you help us?

Our athletes spend up to £1,500 to achieve their goal of competing in the Henley Boat Race. This is a high price to pay – sponsorship and donations, however big or small, can help to ease this financial burden.

Each of our athletes is aiming to raise £500 from our Sponsor a Seat initiative.

You can join our team by donating to one of our crews or by sponsoring an individual seat. All money goes directly to help our athletes fund the cost of representing Cambridge University in the Henley Boat Races.

How can we help you?

By donating or sponsoring, you can be part of a winning team, and will receive:

- Credit on our website, www.cuwbc.org
- Help in raising your profile amongst Cambridge University's top graduates

For donations of more than £150, we can offer you:

- Your name/logo printed on our crew t-shirts which our athletes wear around Cambridge and at other training venues
- Credit in the Henley Boat Race programme which is available for spectators to purchase on race day
